Subject: CalWARN HAB Seminar and Tabletop Exercise - September 13th
Attachments: 180913_CalWARN Flyer.pdf

California Water Quality Monitoring Council

Hi CCHAB Members,

This event will consist of seminar presentations covering topics related to incident response and HABs. The tabletop exercise, based on a hypothetical HAB scenario, is designed to bring together drinking water utilities, public safety, local and state agencies to discuss roles and responsibilities during an incident.

Please see attached flyer for more information including registration details.
